On September 6, 2017, the District Court sentenced the Defendant to two years and 11 months to the Montana State Prison, for the offense of Count I: Partner or Family Member Assault. The sentence in Lake County Cause No. DC 17-018 was ordered to run consecutive to this sentence. The Court recommended Nexus, Anger Management, and Cognitive Principles and Restructuring programs. The Court ordered the Defendant not be considered for parole until he served five years total in his consecutive sentences in this case and DC 17-018.

On February 22, 2018, Defendant's Application for review of that sentence was heard by the Sentence Review Division of the Montana Supreme Court (hereafter "the Division"). Defendant appeared by videoconferencing from the Crossroads Correctional Center and was represented by Brent Getty of the Office of the State Public Defender. The State was not represented.

Before hearing the Application, Defendant was advised that the Division has the authority not only to reduce the sentence or affirm it, but also increase it. Defendant was further advised that there is no appeal from a decision of the Division. Defendant acknowledged that he understood this and stated that he wished to proceed.

Rule 12, Rules of the Sentence Review Division of the Supreme Court of Montana, provides that, "The sentence imposed by the District Court is presumed correct. The sentence shall not be reduced or increased unless it is clearly inadequate or clearly excessive." (Section 46-18-904(3), MCA).

The Division finds that the reasons advanced for modification are insufficient to hold that the sentence imposed by the District Court is clearly inadequate or clearly excessive.

Therefore, it is the unanimous decision of the Division that the sentence is **AFFIRMED**.

Done in open Court this 22<sup>nd</sup> day of February, 2018.

DATED this 9<sup>th</sup> day of March, 2018.
